

Historical Malacca Honey & Nonya daytrip

\$59.90
P/P

TRAVEL DATE: Aug 1 & Sept 5 2015

Highlights

- ✓ **2-way bus journey** in air conditioned coaches
- ✓ **Visit the Honey Bee Shop** (Provides scrunitizing detail about the lifecycle and lifestyle of bees. There are millions of live bees that visitors can view through glass. You can learn about bees in the world, view photos of their hives, and look at products produced or associated with bees including honey, propolis, royal jelly, bee venom and drone pupas. Propolis is a stuff made from buds and flowers. It comes from the bee hive, and is known for healing properties. Royal Jelly is a secretion used by the bees to feed their queen. It has natural hormones, Vitamin B-complex, and other properties, and is known to improve physical performance, memory, immune system and sexual drive. Bee venom is used of treating arthritis, asthma, multiploe sclerosis and other ailments. Drone pupas are immaturred bees. Its consumption is said to improve energy and help in halting skin deterioration)
- ✓ **Lunch at Baba Nyonya Restaurant**
- ✓ **Next stop to Visit Baba Nyona Museum** (The Baba Nyonya Museum'Straits Chinese' or the Baba and Nyonya are Chinese of noble descendants who have adopted much of the Malay culture into theirs. The public can now view the heirloom unique to this heritage at a private museum run by the Babas and Nyonyas of Melaka. Inter marriage between early Chinese settlers and local Malays resulted in the unique Baba-Nyonya culture. Within the walls of this heritage building, visitors can learn more about the culture. This is a private museum run by the Babas and Nyonyas of Melaka)
- ✓ **Malacca City To Malacca City Tour** (Jonker Street, Christ Church, Famosa + Free & Easy for local product shopping)
- ✓ **Seafood dinner at a local restaurant**
